## INDEPENDENT AUDITOR'S REPORT

Board of Directors  
Basehor Community Library  
Basehor, Kansas

### Report on Financial Statements

We have audited the accompanying fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances of Basehor Community Library (the municipality), as of and for the year ended December 31, 2014 and the related notes to the financial statement.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the *Kansas Municipal Audit and Accounting Guide* as described in Note C to meet the financial reporting requirements of the State of Kansas; this includes determining that the regulatory basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America, and the *Kansas Municipal Audit and Accounting Guide*. Those standards require we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal controls. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Basis for Adverse Opinion on U.S. Generally Accepted Accounting Principles

As described in Note C of the financial statement, the financial statement is prepared by Basehor Community Library to meet the requirements of the State of Kansas on the basis of the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide*, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The effects on the financial statement of the variances between the regulatory basis of accounting described in Note C and accounting principles generally accepted in the United States of America, although not reasonably determinable, are presumed to be material.

### Adverse Opinion on U.S. Generally Accepted accounting Principles

In our opinion, because of the significance of the matter discussed in the "Basis of Adverse Opinion on U.S. Generally Accepted Accounting Principles" paragraph, the financial statement referred to above does not present fairly, in conformity with accounting principles generally accepted in the United States of America, the financial position of Basehor Community Library as of December 31, 2014, or changes in financial position and cash flows thereof for the year then ended.

### ***Opinion on Regulatory Basis of Accounting***

In our opinion, the financial statement referred to above presents fairly, in all material respects, the aggregate cash and unencumbered cash balance of Basehor Community Library as of December 31, 2014, and the aggregate receipts and expenditures for the year then ended in accordance with the financial reporting provisions of the *Kansas Municipal Audit and Accounting Guide* described in Note C.

### ***Report on Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the fund summary statement of regulatory basis receipts, expenditures, and unencumbered cash balances (basic financial statement) as a whole. The summary of regulatory basis expenditure-actual and budget and the individual fund schedules of regulatory basis receipts and expenditures-actual and budget (Schedules 1 and 2 as listed in the table of contents) are presented for analysis and are not a required part of the basic financial statement, however are required to be presented under the provisions of the *Kansas Municipal Audit and Accounting Guide*. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statement. The information has been subjected to the auditing procedures applied in the audit of the basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statement or to the basic financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statement as a whole, on the basis of accounting described in Note C.

### ***Prior Year Comparative***

The 2013 Actual column presented in the individual fund schedules of regulatory basis receipts and expenditures – actual and budget (Schedule 2 as listed in the table of contents) is also presented for comparative analysis and is not a required part of the 2014 basic financial statement upon which we have rendered an unmodified opinion dated July 13, 2015. The 2013 basic financial statement and our accompanying report are not presented herein, but available in electronic form from the web site of the Kansas Department of Administration at the following link <http://da.ks.gov/ar/muniserv/>. Such 2013 comparative information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used into prepare the 2013 basic financial statement. The 2013 comparative information was subjected to the auditing procedures applied in the audit of the 2013 basic financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2013 basic financial statement or to the basic financial statements itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the 2013 comparative information is fairly stated in all material respects in relation to the 2013 basic financial statement as a whole, on the basis of accounting described in Note C.

	\$ <u>433,370</u>

## **BASEHOR COMMUNITY LIBRARY**

### **NOTES TO FINANCIAL STATEMENT**

December 31, 2014

#### **NOTE A. MUNICIPAL REPORTING ENTITY**

Basehor Community Library operates under a seven member form of government, which is elected by qualified voters of Library District #2, County of Leavenworth, and State of Kansas. Basehor Community Library is a separately administered organization that is dependent on Leavenworth County for the levy of the library tax. The Library adopts the annual budget. This financial statement presents Basehor Community Library (the municipality).

The scope of the entity for financial reporting purposes is defined as those funds for which the Library is considered to be financially accountable. The Library's financial statements include all of the Library's operations. The Library has one related municipal entity which is the Friends of the Library however this report only includes the Library and no related municipal entities.

The Friends of the Library has been omitted from the accompanying financial statements. The Friends of the Library is a not for profit corporation which provides funding to the Library for projects which are generally outside of the routine operations of the Library. The Friends of the Library exists for the express purpose of encouragement and support of Basehor Community Library and to invest and disburse monies for the use and benefit of the Library. The Friends of the Library is governed by a separate Board which operates independently of Basehor Community Library.

#### **NOTE B. REGULATORY BASIS FUND TYPES**

The accounts of the Library are organized and operated on the basis of funds. A fund is defined as an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The Library potential could have the following types of funds.

**General Fund** – the chief operating fund. Used to account for all resources except those required to be accounted for in another fund.

**Special Purpose Funds** – used to account for the proceeds of specific tax levies and other specific revenues sources (other than Capital Project and tax levies for long-term debt) that are intended for specific purposes.

**Bond and Interest Fund** – used to account for the accumulation of resources, including tax levies, transfers from other funds and used to make payments of general long-term debt.

**Capital Project Fund** – used to account for the debt proceeds and other financial resources to be used for acquisition or construction of major capital facilities or equipment. The Library does not have any funds of this type.

**Business Fund** – funds financed in whole or part by fees charged to users of goods or services (i.e. enterprise and internal service funds etc.). The Library does not have any funds of this type.

**Trust Fund** – funds used to report assets held in trust for the benefit of the municipal financial reporting entity (i.e. pension funds, investment trust funds, private purpose trust funds which benefit the municipality reporting entity scholarship funds, etc). The Library does not have any funds of this type.

**Agency Fund** – funds used to report assets held by the municipal reporting entity in purely a custodial capacity (payroll clearing fund, county tax collection accounts, etc.). The Library does not have any funds of this type.

## BASEHOR COMMUNITY LIBRARY

### NOTES TO FINANCIAL STATEMENT

December 31, 2014

#### NOTE C. BASIS OF ACCOUNTING

*Statutory Basis of Accounting* – The statutory basis of accounting, as used in the preparation of these statutory basis financial statements, is designed to demonstrate compliance with the cash basis and budget laws of the State of Kansas. Cash receipts are recognized when the cash balance of a fund is increased. Expenditures include disbursements, account payable, and encumbrances. Encumbrances are commitments related to unperformed (executor) contracts for goods and services, and are usually evidenced by a purchase order or written contract. For an interfund transaction, a cash receipt is recorded in the fund receiving cash from another fund, and expenditure would be charged in the fund from which the transfer is made.

The Library has approved a resolution that is in compliance with K.S.A. 75-1120a(c), waiving the requirement for application of generally accepted accounting principles and allowing the Library to use the statutory basis of accounting.

*Departure from Accounting Principles Generally Accepted in the United States of America* - The basis of accounting described above results in a financial statement presentation which shows cash receipts, cash disbursements, cash and unencumbered cash balances, and expenditures compared to budget. Balance sheets that would have shown non-cash assets such as receivables, inventories and prepaid expense, liabilities such as deferred revenue and matured principal and interest payable, and reservations of the fund balance are not presented. Under generally accepted accounting principles in the United States of America, encumbrances are only recognized as a reservation of fund balance; encumbrances outstanding at year end do not constitute expenditures or liabilities. Consequently, the expenditures as reported do not present the cost of goods and services received during the fiscal year in accordance with generally accepted accounting principles. Purchases of land, buildings and equipment owned by the Library are expensed in the year of purchase rather than capitalized and depreciated as required by generally accepted accounting principles. Capital assets that account for the land, buildings and equipment owned by the Library are not presented in the financial statements. Also, long-term debt such as general obligation bonds, revenue bonds, temporary notes, and compensated absences are not presented in the financial statements.

#### NOTE D. BUDGETARY INFORMATION

Kansas statutes require that an annual operating budget be legally adopted for the general fund, special purpose funds (unless specifically exempted by statute), bond and interest funds, and business funds. Although directory rather than mandatory, the statutes provide for the following sequence and timetable in the adoption of the legal annual operating budget:

1. Preparation of the budget for the succeeding calendar year on or before August 1st.
2. Publication in local newspaper of the proposed budget and notice of public hearing on the budget on or before August 5th.
3. Public hearing on or before August 15th, but at least ten days after publication of notice of hearing.
4. Adoption of the final budget on or before August 25th.

The statutes allow for the governing body to increase the originally adopted budget for previously unbudgeted increases in revenue other than ad valorem property taxes. To do this, a notice of public hearing to amend the budget must be published in the local newspaper. At least ten days after publication the hearing may be held and the governing body may amend the budget at that time. There were no such amendments for the year ended December 31, 2014.

The statutes permit transferring budgeted amounts between line items within an individual fund. However, such statutes prohibit expenditures in excess of the total amount of the adopted budget of expenditures of individual funds. Budget comparison schedules are presented for each fund showing actual receipts and expenditures compared to legally budgeted receipts and expenditures.

## BASEHOR COMMUNITY LIBRARY

### NOTES TO FINANCIAL STATEMENT

December 31, 2014

#### NOTE D. BUDGETARY INFORMATION - continued

All legal annual operating budgets are prepared using the regulatory basis of accounting in which revenues are recognized when cash is received and expenditures include disbursements, accounts payable, and encumbrances, with disbursements being adjusted for prior year's accounts payable and encumbrances. Encumbrances are commitments by the municipality for future payments and are supported by a document evidencing the commitment, such as a purchase order or contract. Any unused budgeted expenditure authority lapses at year-end.

A legal operating budget is not required for the following special revenue funds:

Non-Tax Fund

Capital Improvement

Spending in funds which are not subject to the legal annual operating budget requirements is controlled by federal regulations, other statutes, or by the use of internal spending limits established by the governing board.

#### NOTE E. CASH AND INVESTMENTS

K.S.A. 9-1401 establishes the depositories which may be used by the Library. The statute requires bank eligible to hold the Library's funds have a main or branch bank in the county in which the Library is located, or in an adjoining county if such institution has been designated as an official depository, and the banks provide an acceptable rate of return on funds. In addition, K.S.A. 9-1402 requires the banks to pledge securities for deposits in excess of FDIC coverage. The Library has no other policies that would further limit interest rate risk.

K.S.A. 12-1675 limits the Library's investment of idle funds to time deposits, open accounts, and certificates of deposit with allowable financial institution; U.S. government securities, temporary notes; no-fund warrants; repurchase agreements; and the Kansas Municipal Investment Pool. The Library has no investment policy that would further limit its investment choices.

*Concentration of credit risk* – State statutes place no limit on the amount the Library may invest in any one issuer as long as the investments are adequately secured under K.S.A. 9-1402 and 9-1405. The Library was invested only in interest bearing bank accounts and certificates of deposit as of December 31, 2014.

*Custodial credit risk – Deposits:* Custodial credit risk is the risk that in the event of a bank failure, the Library's deposits may not be returned to it. State statutes require the Library's deposits in financial institutions be entirely covered by federal depository insurance or by collateral held under a joint custody receipt issued by a bank within the State of Kansas, the Federal Reserve Bank of Kansas City or the Federal Home Loan Bank of Topeka, except during designated "peak periods" when required coverage is 50%. There were no designated "peak periods" for year ended December 31, 2014. All deposits were legally secured at December 31, 2014.

At December 31, 2014, the carrying amount of the Library's deposits, including certificates of deposit and petty cash, was \$433,370 and the bank balance was \$448,201. The difference between carrying amount and bank balance is outstanding checks and deposits in transit. Of the bank balance, \$411,281 was covered by FDIC insurance and \$36,920 was covered by pledged securities in the name of the Library.

*Custodial credit risk – investments:* For an investment, this is the risk that, in the event of the failure of the issuer or counterparty, the Library will not be able to recover the value of its investments or collateral securities that are in the possession of an outside party. State statutes require investments be adequately secured. The Library had no such investments at year end.

# BASEHOR COMMUNITY LIBRARY

## NOTES TO FINANCIAL STATEMENT

December 31, 2014

### NOTE H. OTHER LONG-TERM OBLIGATIONS FROM OPEARTIONS

#### *Other Post Employment Benefits:*

As provided by K.S.A. 12-5040, the Library allows retirees to participate in the group health insurance plan. While each retiree pays the full amount of the applicable premium, conceptually, the Library is subsidizing the retiree's health insurance plan because each participant is charged a level of premium regardless of age. However, the cost of this subsidy has not been qualified in this financial statement.

#### *Compensated Absences:*

Full-time employees (over 35 hours per week) will receive eighty (80) hours of vacation beginning their first year of employment, one hundred and twenty (120) hours after five years, and one hundred and sixty (160) hours after ten years. Part-time employees will receive vacation based upon the following: first year of employment under 10 hours per week worked no vacation, 11 to 20 hours per week 18 hours vacation per year, 21 to 35 hours per week 30 hours vacation per year. After 5 years of employment for part-time employees who work 11 to 20 hours per week earn 36 hours vacation per year and 21 to 35 hours worked per week earn 60 hours vacation per year. After 10 years of employment for part-time employees who work 11 to 20 hours per week earn 54 hours vacation per year and 21 to 35 hours worked per week earn 90 hours vacation per year.

Full-time employees earn sick leave at the rate of one day per month and can accrue up to 24 days. Part-time employees working 20 hours or more per week earn 4 hours per month and may accrue up to 48 hours. Accrued sick leave is forfeited upon termination of employment so no accrual has been calculated.

#### *Operating Leases:*

The Library has entered into lease agreements for the use of copying equipment. The future minimum payments on these leases are as follows:

#### Future Minimum Payments

	2015	2016	2017	2018	2019	Total
C3003SP	\$ 1,116	\$ 1,116	\$ 1,116	\$ 1,116	\$ 372	\$ 4,836

Rental expense for copying equipment under these operating leases was \$2,180 for the year ended December 31, 2014.

*Maintenance agreement:* Beginning April 16, 2014, the Library has entered into a three year pre-paid maintenance agreement with 3M Library Systems for their self check computers and software.

### NOTE I. DEFINED BENEFIT PENSION PLAN

**Plan description.** The Library participates in the Kansas Public Employees Retirement System (KPERs), a cost-sharing, multiple-employer defined benefit pension plan as provided by K.S.A. 74-4901, etc. seq. KPERs provides retirement benefits, life insurance, disability income benefits, and death benefits. Kansas law establishes and amends benefit provisions. KPERs issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to KPERs (611 S Kansas, Suite 100, Topeka, Kansas 66603) or by calling 1-888-275-5737.

## BASEHOR COMMUNITY LIBRARY

### NOTES TO FINANCIAL STATEMENT

December 31, 2014

#### NOTE I. DEFINED BENEFIT PENSION PLAN -- continued

**Funding Policy.** K.S.A. 74-4919 and K.S.A. 74-49,210 establish the KPERS member-employee contribution rates. Effective July 1, 2009 KPERS has two benefit structures and funding depends on whether the employee is a Tier 1 or Tier 2 member. The Tier 1 members are active and contributing members hired before July 1, 2009. Tier 2 members were first employed in a covered position on or after July 1, 2009. Kansas law establishes the KPERS member-employee contribution rate at 5% of covered salary for Tier 1 members and at 6% of covered salary for Tier 2 members. Member employees' contributions are withheld by their employer and paid to KPERS according to the provisions of Section 414(h) of the Internal Revenue Code.

**Net Pension Liability** - The total pension liability for KPERS was determined by actuarial valuation as of December 31, 2013, which was rolled forward to June 30, 2014. As of June 30, 2014 the net pension liability for KPERS was \$8,291,794,910. KPERS has not determined the Municipality's proportionate share of the net pension liability as of December 31, 2014. The complete actuarial valuation report including all actuarial assumptions and methods is publically available on the website at [www.kpers.org](http://www.kpers.org) or can be obtained as described in the first paragraph above.

#### NOTE J. RISK MANAGEMENT

The Library is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Library carries commercial insurance. Settlement of claims has not exceeded commercial insurance coverage in any of the last three fiscal years.

#### NOTE K. OTHER INFORMATION

**Deferred Compensation Plan:** The Library offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The Plans, available to all Library employees, permits them to defer a portion of their salary until future years. No contributions are made by the Library. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency. Investments are managed by the plan trustees under one of various pools of investment options offered by Security Benefit Inc.

**Reimbursed Expenses:** The Library records reimbursable expenditures in the fund that makes the disbursement and records reimbursements as revenue to the funds. Advertising costs are expensed in the year incurred and do not have any significant benefit to succeeding years.

**Compliance with Kansas Statutes:** References made herein to the statutes are not intended as interpretations of law, but are offered for consideration of the State Director of Accounts and Reports and interpretation by the legal representative of the municipality. The Library did not have any violations for year ended December 31, 2014.

**Subsequent Events:** The date to which events occurring after December 31, 2014, the date of the most recent Summary of Cash Receipts, Expenditures and Unencumbered Cash have been evaluated for possible adjustments to the financial statements or disclosure is July 13, 2015 which is the date on which the financial statements were available to be issued. Management is not aware of any material subsequent events which need to be disclosed.
